Finals are open campus and you are not required to be here if you do not have a final for that period. LCTC students will attend Lake County all three days unless we have a weather day that conflicts with Friday. If you do not have a final but need to stay, you should report to the scheduled study hall posted above. If you are late to your final, you will not be allowed in and will need to make arrangements to make it up. Students are not allowed in the hallway during finals. We will have a locker clean-up on Tuesday December 19<sup>th</sup> at 11:30. We ask that you take care of the items you need to at that time. Information about exemptions will be coming to you soon and should be done by Friday.

If you have questions, please ask your teachers or Mr. Hayunga. Good luck on your test and have a happy holiday.
